REMARKS

This Amendment is concurrently filed with the accompanying Request for Continued Examination (RCE) under 37 C.F.R. §1.114, which follows the Final Office Action mailed October 4, 2005. In this Amendment, claims 1-60 have been cancelled without prejudice and claims 61-120 have been added. **Applicant requests that filing fees be calculated on the basis of entry of this Amendment.** Pending claims 61-120 are presented for consideration and allowance. Notably, all new claims are rooted in the original specification and, as such, do not constitute new matter. In particular, all claim limitations were either present in previously presented and now cancelled claims and/or are identifiable in the description and/or figures of the present application.

It is believed that all claims 61-120 of this application are in a condition for allowance. A notice to that effect is respectfully requested. The Examiner is invited to contact the Applicant's representative at the below-listed telephone numbers to facilitate prosecution of this application.

Any inquiry regarding this Amendment and Response should be directed Steven E. Dicke at Telephone No. (612) 573-2002, Facsimile No. (612) 573-2005. In addition, all correspondence should continue to be directed to the following address:
